

UNIVERSITY OF CALIFORNIA

Campus:	Riverside
Project Name:	Boyce Hall & Webber Hall Renovations
Project Description:	This project is part of a multi-phased program to address enrollment growth at the Riverside campus that balances new construction with renewal of existing campus science buildings. This project will address infrastructure systems and code deficiencies in two buildings, Boyce Hall and Webber Hall, and will modernize selected instructional and research space in support of science programs.
Phase (2006-07):	Design
